

Postcards a hit at Sebel/Black Bull

By Robert Muir

The Sebel and Black Bull Golf Club are to feature in Postcards, Television Channel Nine's Victorian travel program.

Like he did so often on the tennis court, retired Australian professional player Todd Woodbridge OAM will be the main presenter on the Postcards show.

The current sports broadcaster with the Nine Network enjoyed his second ever trip to Yarrowonga, the first visit some six years ago at Yarrowonga Primary School promoting Tennis Hot Shots.

Woodbridge, who turned 51-years-of-age last Saturday, loved being at Silverwoods, the home of The Sebel's luxurious international 4.5 star boutique hotel and services apartments and the championship Black Bull Golf Course.

"I signed up with Postcards last year, going into regional Victoria for the tourism destination show, highlighting the destinations, the food, lifestyle, accommodation," he told the Yarrowonga Chronicle.

"As a true Melbourne-based person, going to various parts of the state opens your eyes as to what wonderful destinations we have.

"Postcards is a great program, a long-range program. It offers up a lot of opportunities for wonderful experiences."

Woodbridge is best known for his outstanding tennis career, involving his successful doubles partnership with good friend Mark Woodforde, and later Jonas Bjorkman.

Popularly known as the two Woodys, the pair won a record 83 doubles titles and peaked at world No. 19 in singles in 1997.

The pair formed the most successful doubles combination in history with 11 Grand Slam titles and an Olympic gold medal at Atlanta in 1996. In 2010, Woodbridge was inducted into the International Tennis Hall of Fame, and he has been immortalised in

bronze at Melbourne Park.

Woodbridge's broadcasting career began in 2006 and he has since hosted the Olympics, the Commonwealth Games, tennis, cricket and golf tournaments.

He is no slouch on the golf course. When last in Yarrowonga, his handicap was four. "I got down to two but it was too difficult to play off two. I've happily wandered out to six," the Royal Melbourne Golf Club member said.

Woodbridge and his Postcards' colleagues loved seeing Yarrowonga's whole Silverwoods complex last week. And everyone involved out Silverwoods way was thrilled to welcome the Postcards team.
